Sir,

SUBJECT Waiver of the recovery of the excess amount under drill allowances paid to the Drawing Master, Municipal High School, Sagar during the years 1941-42, 42-43 and 43-44

In submitting herewith an extract from the audit notes of the Municipal High School, Sagar, for the year 1941-42 and 42-43 pointing out the irregular payment of drill allowance to the Drawing Master of the School for the period of the vacations and a copy of resolution passed by the Managing Committee of the school to the effect that the recovery of the excess amount paid may be waived as it will be a hardship for the teacher to refund the amount, I have the honour to state that it is reported that similar irregular payment of the allowance had been made during the year 1943-44 also The total amount involved is Rs 90/- at Rs 30/- per year as detailed in the extract

Waiving the recovery of even larger amounts irregularly paid under drill allowances in the Municipal High Schools at Bowringpet and Chinthamani was ordered in Government Order No L 3802-3/M1 26-42-18 dated 24-10-1944 The present case is similar to the above one The irregularity has been committed by the Management without knowing that part-time allowances in High Schools are payable only for 9 months in the year and

P T O

and the recovery of the excess amount paid during the three years under reference from the teacher will really involve a hardship for no fault of his The Management have, however, noted the audit observation for future guidance.

In the circumstances, I recommend that Government may be pleased to order the waiver, as a special case, of the recovery of the excess amount of Rs 90/- paid under drill allowances during the years 1941-42, 1942-43 and 1943-44 to the Drawing Master of the Municipal High School, Sagar.

I have the honour to be,

S i r,

Your most obedient servant,

DIRECTOR.
